the Porte as to whether it intends to fulfill its | The Haul Did Not Pan Out Very Rich Though About What They Might Have Expected.

LITTLE ROCK, June 16,—The Gazette's Alma (Ark.) special says: At 11 o'clock last night the north and south-bound stages, running between Fayetteville and Alma, were stopped by two armed men and the mail and passengers robbed. The north-bound stage, when about twenty miles from Alma and in one of the loneliest places on the road, between two mountains, was com-manded to halt. The driver, ou looking ahead, discovered two armed men on either side of the road, about ten feet ahead, with drawn pistols. After the stage stopped the drawn pistols. After the stage stopped the robbers commanded the passengers and driver to get down on the ground. They then made the driver turn his back to them while they tied and blindfolded the passengers. They then tied and blindfolded the driver and placed him in front of the team, telling him if he moved hand or foot he was a dead man. After this they took all the moves the appearance to the stage of the stage where the Russian imperial family will shortly take up their residence, have been changed, in consequence of the discovery of a number of revolutionary proclamations on board. There have been many arrests in connection with the affair.

CERMANY

he was a dead man. After this they took and the money the passengers had, amounting to about thirty dollars. The driver asked them to please loosen the strap on his wrists, as it was hurting him, and one of the robbers replied that he would as soon as they had robbed the south-bound stage, which was then heard approaching. As soon as it are called the grain states that no objection to Foxhall as winner of the Grand Prix has yet been received there.

then heard approaching. As soon as it arrived the driver was ordered to halt, and the passengers to come out on the ground. They were treated in a similar manner as the passengers of the first stage. It only contained one passenger, Mr. Grzy, of Fayetteville, from whom they took five dollars in money and a gold watch and chain. They took the

Crushed under a Train-Orange Lodge

CINCINNATI, June 16.-Charles Davis, brakeman on the Little Miami road, while making up a train, jumped from a car, having first given the signal to back the train. When he reached the ground he found his foot fast in a frog, and the train, in obedience to his signal, coming upon him. He was crushed to death.

The Supreme Grand Lodge of Orangemen

port from Baltimore that he had extended the office of First Vice President of the Baltimore and Ohio road, said he had not replated retiring from active railroad work this fall and going abroad for his health. He could not give the date of his re-guation, as that must first be made known to the com-

element that will give votes, but I want you to mark the prediction that the time will come when you cannot find in this country one man opposed to prohibition."

"What is the practical effect of the prohibitory law?" "What is the practical effect of the prohibitory law?"

"Take the city of Topeka as an illustration. It has about 20,000 inhabitants, and
did have thirty saloons. The prohibition
lay went into force on the lst of May last,
and during the twenty-six days of the old
license system preceding May lst, there were
nearly hity cases of drunkenness in the Police Court of Topeka. During the first
twenty-six days of the prohibitory
system, including the 26th day
of May—which is the day I lett
Topeka for Illinois—there were only four
cases of drunkenness. Besi, es, the peace
and good order that have since patvailed are
worthy of consideration. Topeka is he political headquarters of the State, and a pawe where vast quantities of liquors were almost
necessarily disposed of. The transformation
has been wonderful."

The Improved Water Elevator PURIFYING PUMP Has no Valves or Suckers to freeze or rust and spoil the water.
It agitates the water, forces air into it and is guaranteed to purify
the founds well or eistern in a few days time.
Will destroy wiggles in two days time.
It is simple in construction; made strong and substantial, and can
be set by any one without mechanical skill.
Works very easy; any child can use them.
We make a size especially adapted for Deep Wells, and for raising
water for Mills.
So well known are the merits of the Pump, that we refer to any
Business House in Memphis. For terms, sall one

DANIEL PRATT Revolv'g Head Cotton Gins, Eclipse Gins

FEEDERS AND CONDENSERS. DETURNING thanks for the liberal patronage heretofore extended, we respectfully ask a continuance of the same. We again offer you COTTON GINS whose merits are attested by the entire cotton country. We use the BEST MATERIAL and make a COTTON GIN which, with proper care, will LAST ALMOST A LIFETIME. Our ECLAPSE HULLER GINS, to which we have added improvements, are the best separators of buils, and will improve late picked builty cotton from One and a built to Five Cents per pound in value. WE GUARANTEE ALL OUR MACHINES. Falling to fill our Orders last season, owing to the demand, we have increased our facilities for manufacturing THES, and will be able to fill all Orders promptly.

We are prepared to REPAIR GINS. FEEDERS, PRESSES, etc. in this city, having established a Shop with Mr. J. A. SMILEY, late Foreman at the Factory. We can assure all who scad us their Gins to be repaired the work will be done in FIRST-CLASS ORDER and REASONABLE PRICES CHARGED.

SEND FOR CIRCULARS, OR WRITE FOR TARMS, TO PRATT GIN CO., 314 FRONT ST., MEMPHIS.
